 By signing, you confirm you have read and accept the University of Kentucky's Terms and Conditions. A hard copy is available on request.

Test requested (circle selection):
 Friesian Hydrocephaly \$35
 Friesian Dwarfism \$35
 Combo Test* \$60
**both mutations on the same sample*

Owners of horses registered with FHANA should contact that registry for testing instructions.

Hair sample:

- Pull 30-50 hairs from the mane or tail, pulling 5-10 hairs at a time.
- Make sure there are some pulled hairs with a bulb or follicle at the end. This is where we obtain the DNA.
- Do not use shedded hairs (from brush, etc.).
- Align the bulb ends of the pulled hairs together and trim other end so that sample is 3-4 inches long.
- Tape hair on paperwork and do not tape over follicle.

- Place in standard envelope labeled with horse's ID. Send via First Class Mail or Express, if desired.
- All samples originating outside the United States MUST be accompanied by a USDA import permit.

PLEASE ALLOW THREE WEEKS FROM THE RECEIPT OF SAMPLE FOR PROCESSING.

Please submit payment with sample. Checks payable to THE UNIVERSITY OF KENTUCKY. Samples originating outside the United States – Money Order or Credit Card only. We accept Visa, MasterCard, Discover, and American Express.
